

Senior Pet Release Form

Your pet is important to us. Because we care, we want to assure you that every effort will be made to make your senior pet's visit as pleasant as possible.

When pets older than 7 years of age are groomed, their bodies are subjected to stress due to being in an unfamiliar environment. This stress has the potential to cause latent physical conditions (i.e. heart, liver and kidney disorders) to become active, and potentially life-threatening. We may contact you about going to your veterinarian if we feel your pet looks ill, and/or grooming looks to be uncomfortable.

In the best interest of your pet, we request your permission to obtain immediate veterinary treatment, should it become necessary. In this event, we will attempt contact with you at home and an emergency contact. If no contact is made how do you wish for us to proceed with your pet's care:
